

Short CV

Dr. Anna Christakou

Associate Professor (full time job) in the Department of Physiotherapy in the University of Peloponnese

Anna Christakou is an Associate Professor (full time job) in the Department of Physiotherapy in the University of Peloponnese. She was a physiotherapist at Evagelismos General Hospital in Athens for more than 10 years. She has also a Bachelor degree of the School of Sport Sciences and Physical Education, University of Athens, Greece from 1997. She completed her PhD with a title of thesis “Re-injury worry, confidence and attention as predictors of a sport injury”. She completed her MSc thesis in 2002 with a title “The effectiveness of motor imagery in the functional rehabilitation of an ankle sprain grade II”. She is actively involved in research and teaching in musculoskeletal, respiratory and other clinical populations. She has 55 research publications in peer reviewed International and Greek scientific journals, above 100 (oral and poster) presentations in Greek and International congresses, above 80 presentations as a visited speaker in Greece, 5 writing chapters of book and above of 400 citations to her research work. Additionally, she has teaching experience in B.Sc. degrees in the Department of Physiotherapy in Aigion (2005-2010) and in the School of Sports Science and Physical Education in Athens (2000-now). She has teaching experience in the MSc programs of (a) the Department of Physiotherapy in Athens, in Lamia and in Aigion, (b) the School of Medicine in Athens, (c) the School of Sport Sciences and Physical Education. She has successfully supervised Bachelor and MSc students of Department of Physiotherapy Athens and Aigion and School of Medicine, University of Athens. Current research projects include the developing questionnaires in clinical populations, the cross-cultural validation of imagery questionnaires in Greek language, applying mind-body techniques in respiratory diseases, in chronic musculoskeletal and neurological patients.
